Verse:

I was thinking if you
Come over with your crew
Then I can just come and make this sh*t (might be
wrong)
We can do whatever it do
Cause I know you
I mean I know me
Just trying to spend a little time with you
You should try chilling with me
Cause baby I got that key to your ignition
Nawh I ain't tripping
Nawh I ain't slipping
Nigga stay pimping
Nigga stay tripping
I ain't just stressing, nigga stay tripping
Cause I be testing
Cause I got money doe and all that sh*t
And I just want you all on my uhhh
I ain't gon' curse, hit her with the hurt
Put that pussy in a hearse
It's the nigga named Kirk-o b-a-n-g
Put to the z, put your a** to sleep
Put that a** to sleep
Put that a** to sleep
