[Intro:]

Uhuh ohhh

[Verse 1:]

I remember when I didn't have a dime, a dime to my name

I Remeber when you didn't have the time, but everything has changed

They joked they laughed they said that I would never be anything

They joked they laughed with all the girls but the girls wasn't fuckin with me

I was sittin on the bench at the park right, they was pickin out names it was sumthin like

Secret santa put your name on the card

But I knew moma spent her last cash on the bus ride

I stayed cool like like the moonlight

I'm used to it I've been doing this my whole life

Feel like my whole life I been a low life

But now I'm sittin in the spotlight

[Chorus:]

It's incredible [x2]

To me [x3]

I'm just an incredible nigga [x3]

[Verse 2:]

Is you thinkin? what I'm thinkin?

Is you drinkin? What I'm drinkin?

Is you hopin, what I'm hopin?

Is you smokin? Cause I'm smokin

Yea, a nigga mind away life is so fast forward

Airplane on my arm get yo passport

Cause I'm fly nigga, they say you high nigga

I need a calm down app on my android

Now let me enjoy it, they used to ignore it

But now they waitin on my CD like it's in stores

The girl I want doesn't want me

It's a sad story

But watch her attitude switch when I'm in stores

She say she been loyal

Yea cause I been on  
And now I'm just an X-man like that bitch storm  
I used to bench warm but now I become mr.incredible  
You Synndrome (little nigga)

[Chorus]

I think I'm on my way now
