I just wanna, I just wanna, I just wanna
I just wanna, I just wanna
Lay it down, lay it down

Iâ€™m doing thangs I never did before (did before)
Slippin on my pimpin (pimpin, pimpin)
You hearing thangs you never heard before (heard
before)
But I say girl you trippin
You know Iâ€™m out here with all of my niggas baby
We ainâ€™t doing no tripping baby (trippin baby)
So why you tryina play me?
Cause if you read between the lines,
Your past is bad as mine
So baby letâ€™s keep it trill, trill

[Chorus]
Now girl I know you got me (got me)
You know I got you too (got you too)
Them other women they be bopping you (bopping you)
But girl Iâ€™m feeling you, lady
I know you doubt me
Hatinâ€™ ass nigga talkinâ€™ bout me
Everywhere you go, thereâ€™s another hoe
Like how she know she abide me
I know you doubt me
But just to keep it trill
I heard about you things
So baby girl letâ€™s keep it real

Oh, and these 2 women looking real fine
And I can have them to myself
But now this girl blowing up my line
But shit, she talkin to herself
She say, you can run the streets with your thugs
Iâ€™ll be waiting for you, (you)
Until you get through (get through)
But donâ€™t say it if you ainâ€™t bout it babe

[Chorus]

I just wanna, I just wanna
Lay it down, lay it down baby
I just wanna, I just wanna
Lay it down, lay it down baby

They don't know
Don't listen to, what the people say
They don't know about, bout you and me
Get it out your mind, cause it's jealousy
They don't know.

[Chorus]
