Cruisin' down the

Im cruisin' down the

Im cruisin' down the ave and im looking good

I got my diamonds up against they wood

Im cruisin' down the ave and im looking good

I got my diamonds up against they wood

Im cruisin' down the ave and im looking good

I got my diamonds up against they wood

Im cruisin' down the ave and im looking good

I got my diamonds up against they wood

And I tell em' mane..

Knowmtalmbout, hold up

Knowmtalmbout, hold up

Knowmtalmbout, hold up

Knowmtalmbout, hold up

Uh, shit

Well its that drank sipping, paint dripping

Getting charged, nigga I ain't tripping

Play that nigga I'mma play that nigga

She gon pay that nigga, im straight pimping

Got ashley, she from south park

Wet pussy, thats know it soft

But a nigga like me don't touch shit

Bitch, gotta keep my budget fit

Diamond chain, black range, double cup, no stains

Lost a lot, no pain

Bought a yacht, no gain

Switch house, ----?

Hold it down for the old gang

New nigga on new shit, but don't you play me for a ho mane

Nigga know that I putting on, she take it off she don't

put it on
She leave it in my collection draw, and then she tried to
put on my new cologne
That's polo, so low, dolo, jojo, can't see
And my speakers pullin' up - and I'm

Im cruisin' down the ave and im looking good
I got my diamonds up against they wood
Im cruisin' down the ave and im looking good
I got my diamonds up against they wood
Im cruisin' down the ave and im looking good
I got my diamonds up against they wood
Im cruisin' down the ave and im looking good
I got my diamonds up against they wood
And I tell em' mane..
Knowmtalmbout, hold up
Knowmtalmbout, hold up
Knowmtalmbout, hold up
Knowmtalmbout, hold up

Two tone lac' with the sunroof rack
Parked outside, sitting on 4's
Jump out, boy still hot on my trial
I'm on that oh and it's still on my toes
20 top mop filled up with hoes
Bop was bitter cause they been exposed
Pull yo' feelings up out of your pockets
Get on your grind and stack up your O's
Where there's dough, is where I roam
I drive slow, no school zone but I'm in the zone
Sippin' the 4
Smoking that cone, hell yeah I'm blown
I'm getting that money until I'm gone
They on that hay, but still I'm on
I'm on they cake
I'm on these dimes
They on my nuts, lemme get that dome
They want my bone, I don't love these sluts
Windows up and I'm on my way
Off that bullshit, on my pay
Above these seats is blue over gray
I grind all day, no time for play
Get money is all I do
I got cash to make and hearts to break
And I'm on that, baby and thats true
Knowmtalmbout?
Im cruisin' down the ave and im looking good
I got my diamonds up against they wood
Im cruisin' down the ave and im looking good
I got my diamonds up against they wood
Im cruisin' down the ave and im looking good

I got my diamonds up against they wood
Im cruisin' down the ave and im looking good
I got my diamonds up against they wood
And I tell em' mane..
Knowmtalmbout, hold up
Knowmtalmbout, hold up
Knowmtalmbout, hold up
Knowmtalmbout, hold up
