(Verse)

I gots to act real bad, treat my bitch real good
And free my niggas up and bring 'em back to the hood
I fucked the niggas main I put 'em up to no good
I would free my nigga Ron and bring him back but shit
they only say
One time x5
They wanna see a nigga
Going down x5 shit
And see these boys don't understand it when you
coming down on handy
Because everybody want it but they don't know how to
plan it
Out of all of us that hoop, you was mostly being ready
But most niggas don't make it 'cause most niggas ain't
ready
See the streets got 'em lock young niggas on the block
Total rocks walking around with couple hundred in their
socks
I remember when they used to compete for the top
Instead of selling they souls these niggas weak in their
box
See when I pull up I'm candy painted, these niggas are
animated
I'm plain and I'm phantom faded these bitches
contaminated
I know they all around for me but the bitch won't get her
down from me
It's like God ain't got no time for me
He never picking up the line for me
But I gotta hold it down for me
And everybody love the sound from me

(Hook)

'Cause I got that laid back
Nigga roll that, smoke that
See you way back lemme pour that, pour that
I got that laid back, I got that laid back
Nigga know I got that laid back
Nigga roll that, smoke that
See you way back lemme pour that, pour that

I got that laid back, I got that laid back

(Verse)

See nigga ask me where I see me in about 10 years
I say man I don't give a fuck as long as I ain't here
Keep aggressing my nigga, no I be stressin' my nigga
But it's a blessing my nigga some people aggressing
my nigga
So bring the hennesy to me and give my niggers the
weed
And girl you gotta fuck with them before you fucking
with me
And when you try to fuck with me shit I be gone in my
sleep
And it's the plan I gotta make it for the east side

(Hook)

'Cause I got that laid back
Nigga roll that, smoke that
See you way back lemme pour that, pour that
I got that laid back, I got that laid back
Nigga know I got that laid back
Nigga roll that, smoke that
See you way back lemme pour that, pour that
I got that laid back, I got that laid back

(Verse)

See these boys can't stand me hoes can't bare me
Girls fall in love 'cause these girls don't understand me
Man I used to watch brandy after school eating candy
Now I'm in the same building with moisha and her
family
You can't tell me I ain't real, tell you how I feel
'Bout to make a million dollars off my first record deal
Put my mama in the hills and my brother on some
wheels
And my sister through college that's trill

(Hook)

'Cause I got that laid back
Nigga roll that, smoke that
See you way back lemme pour that, pour that
I got that laid back, I got that laid back
Nigga know I got that laid back
Nigga roll that, smoke that
See you way back lemme pour that, pour that
I got that laid back, I got that laid back
