[Hook:]

I know it's not my first time, swear it's not my last time
When you're supposed to do this shit you said that shit
last time

I'm about to open your legs and do that thang
That turn up girls to women and them quiet bitches
sing

I know you ain't a good girl, swear you ain't a bad girl
Rub you down with lotion oh you love it when I'm back
there

Lay you on your back and let your hands run through
my hair

'Cause I'm about to thank you for that pussy in advance

[Verse 1:]

Shit girl I know you got a man but damn when I'm
around you quit your plans

I'm player type you understand you ain't never meet a
nigga like this again

I'm coming through ditch your friends or let them stay I
got dick for 10

I got work to do I'm clocking in it's 3 o'clock we don't
stop 'til 10

Watch a movie pop it in I'm a movie pop me in

Let you see all them freaky scenes call her movie I'm in
between

Say your number as Billie Jean you're not my lover you
are just a fling

Experiment into several things I wouldn't do unless
you're my queen

Lick you up and I dip you down, girl you know that I've
been around

Know you ain't supposed to be with me and you told me
that shit plenty

Times

You live a lie you getting live, 'cause I'm the nigga off
in this town

You love the fact that I put it down and I'm about
everything I rhyme

My friends taught me to slow it down, when I was in her
she showed me how

To take my time make it last and she love it how holy
die
You show me love stay gon' and die that's switch roles
I'm a show you how
He should do it, if he pursued me when a 60 don't
that's why

[Hook:]

I know it's not my first time, swear it's not my last time
When you're supposed to do this shit you said that shit
last time
I'm about to open your legs and do that thang
That turn up girls to women and them quiet bitches
sing
I know you ain't a good girl, swear you ain't a bad girl
Rub you down with lotion oh you love it when I'm back
there
Lay you on your back and let your hands run through
my hair
'Cause I'm about to thank you for that pussy in advance

[Verse 2:]

You fuck with niggas that bust a nut in row
But I am the king of the ghetto and I came here to fuck
your soul
I don't need no qu'est que c'est baby but I'm a take you
to extasy baby
You'll cum so hard everyday of your life you gon' try to
keep with me baby
When I die gon get you 'cause when you leave you're
gonna be picking out
Lower your legs
You're gonna be begging be to stop 'cause it hurts so
good
Everytime I put your feet over your head
I make them girls get down on the floor
Make their period come early when I put this nine on
the hoe
And it ain't no love in fuck, no motherfucking love at all
She don't love me either but I bet she love that love
Don't be poppin' up at my crib tryin' to get a quick fix
Unless you talk to a nigga first then you can get
somebody's dick
I know I'm a get that pussy so I'm gonna thank you in
advance
I'm a gynecologist rock GBYM take off your pants

[Hook:]

I know it's not my first time, swear it's not my last time
When you're supposed to do this shit you said that shit
last time

I'm about to open your legs and do that thang
That turn up girls to women and them quiet bitches
sing
I know you ain't a good girl, swear you ain't a bad girl
Rub you down with lotion oh you love it when I'm back
there
Lay you on your back and let your hands run through
my hair
'Cause I'm about to thank you for that pussy in advance
