Uh, I met this girl on the South, son  
But she was bad, and she always keep her mouth what  
She got me thinking about some things that I'm  
supposed to do  
Girl, I've been calling cause I've been trying to get  
close to you  
And don't be mine with that man, I've been... work shit  
I heard you and your husband try to work shit  
I keep it... drop your name in my verses  
But how your thighs been on your ass, got me nervous  
I'm sipping alcohol and hoping I don't burst quick  
And this dick hard enough to make the Earth split  
I put it in, and she told me that it hurt a bit  
I know the whole hotel probably heard the bitch  
She scream my name... tell me where my name at  
On the ass I tried, but nothing came at  
She lay me down and roll me like a Maybach  
I grab that ass, suck them titties... cause

Chorus:

I'm a real nasty nigga  
Girl, I'm a real nasty nigga  
Say I'm a real nasty nigga  
I'm a real nasty nigga  
Shit, say I can get nasty with you  
Girl, I can get nasty with you  
Cause I'm a real nasty nigga,  
I'm a real nasty nigga

Uh, bitch shut the fuck up, put that butt up  
Put your face in the pillow, don't you come up for air,  
bitch!  
You feel that dick is right, yeah bitch  
Pulling up your hair, choke you out, I'm like yeah, bitch!  
You like that nasty shit, spin at it, put it in  
Fucking for an hour long, then we're straight fuck again  
The sun come up, come on, you know I...  
She licked the nut up, I'll be the... like nut chucks  
Eat the pussy, make you curl your toes up  
... now we're fucking slow motion  
Roll up, coast... speed it up because she's rolling  
Then impact the gap...

Nigga what?

... baby my sex game popping up  
Make a bitch bad, tell that bitch to get on top of her  
Turn the bitch out, now she don't know what she about  
Bang bang, kick 'em out, come in her mouth, no doubt!

Chorus:

I'm a real nasty nigga  
Girl, I'm a real nasty nigga  
Say I'm a real nasty nigga  
I'm a real nasty nigga  
Shit, say I can get nasty with you  
Girl, I can get nasty with you  
Cause I'm a real nasty nigga,  
I'm a real nasty nigga

And now she turn that ass around for that 69  
How many licks did you take, I'm on 89  
That pussy taste like water, my favorite kind  
I lick the tats on her back, yeah, every night  
She's speaking different languages when I get behind  
I go deep up in that ass, trying to feel the spine  
Strokes flow to that beat...  
We hit it fast, but she's telling me to slow it down  
My nigga tell me to put her finger up in her butt  
He told me that's the fastest way to make these bitches  
nut  
I let the bitch and keep fucking, until she find the love  
I fell asleep into... until I'm waking up  
It's five thirty so honey, a nigga probably done  
But missing on his dick he don't pay...  
I congratulate the bitch and put her knees up  
In her chest I drop my deposit, I've been all...

Chorus:

I'm a real nasty nigga  
Girl, I'm a real nasty nigga  
Say I'm a real nasty nigga  
I'm a real nasty nigga  
Shit, say I can get nasty with you  
Girl, I can get nasty with you  
Cause I'm a real nasty nigga,  
I'm a real nasty nigga
