[Hook]

Throwing up a deuce and giving damn
Coming down the boulevard, just pouring slab.
Throwing up a deuce and giving damn
Coming down the boulevard, just pouring slab.
Throwing up a deuce and giving damn
Coming down the boulevard, just pouring slab.

Say Im so motherfucking cold, you already know
Keep a bad bitch and she blowing up my phone
But watch my mother flows
Everything I got, I got with my paper
My mama say she proud Im in the skyscraper
And she pray I get a sit up with god later
Cause all the things I do I know I drive her crazy
When Im rolling in my slab, niggas know they cant
compare
Why you try and give me dead, you dont know me like
them
All these women on me, I just pass them to my homies
Used to want them down stacones now stacone
probably know me
Im steady coming down I cant believe it baby
All these women in my city got in...lately
Id be lying if I said it wasnt me, baby
And if I said I aint be feeling like a king lately

So how do you think if they fronting
They know that they cant do it like me
And all of these women they know that these niggas
Dont really be popping like me
And after they done for the niggas that done then they
barely got money to eat

Im sure that my niggas are caught in the same
situation now look at a g
Showing and flashing the diamonds
But shit it aint really alright there
But sure when you talking and they listen to every word
Like you was a prophet
And no hoe I will not pay for no pussy
I promise you wont get a profit
Hard dick and a piece of that bubble meal, thats your
profit
Your bitch aint better than my bitch
Your bitch aint better than my bitch
And if she is, I make my bitch go and turn her into my
bitch
Your bitch aint better than my bitch
Your bitch aint better than my bitch
And if she is me and my bitch go and turn her into our
bitch
Man she used to trick them lil niggas
I laced her up I put some pin and ...
And now she trickin all them big niggas
10k to go to dinner with him

Damn right Im holding slab and throwing up the deuce
Now talking 2 franklers either bitch, juicy out is blues
Thats right you think Im pimping cause I receive money
from prostitutes
That means lma feed my family, god damn right thats
what I gots to do
King of the ghetto entertainer, Im the rapper plus the
ceo
Since 2009, it been 10000 just to see me flow
Damn done broke my back just to be here, I make it
look so easy though
If I get pulled over when Im standing still
Mister officer you know you can kiss my ass for real
Bitch wipe your feet before you jump your ass in here
I drove ...10 hours, just bring you leave all them bags in
here
...phantom let the roof down and the Bentley let the
roof back
I ball so long, not balling I cant remember how to do
that
