[Verse 1]  
 Uh, yeah  
 Remember when we first  
 told you I wasn't shit  
 told you to stay away  
 told you that you'd regret  
 but you say you see a  
 different nigga than what they expect,  
 so I showed  
 you how I'm livin', now you lovin' me to death.  
 told you  
 that I was wrong but I helped you stay strong  
 anytime  
 you had a problem, couldn't leave you on your own  
 guess it's my fault  
 should of never showed you  
 different  
 When I came to your crib man, I should of  
 never kissed ya'  
 and I woulda had you thinkin' that a  
 nigga losin' interest  
 if a nigga didn't hit it first night  
 so I did it.  
 You let a nigga hit it then shit got  
 different  
 And I'ma tell you why, take my time, Just  
 listen,  
 See, taking our time was the part that we was  
 missin'  
 you was always on my mind even if I didn't hit  
 ya'  
 a little bit of distance got you trippin', now you  
 bitchin'  
 Now you in your dorm room talkin' shit to your  
 sister.  
 She probably tellin' you it's fucked up how I did  
 ya'  
 Told you in the beginning but you never got the  
 picture  
 but I know that I delivered it right to your  
 door  
 but you ain't wanna open it cuz you ain't wanna  
 know  
 Hidin' from the truth talkin' bout "let it  
 flow"  
 and you know I'm in the streets babe you know  
 I'm on the hoes.  
 Shit, but you still hold a nigga close,  
 baby girl still my nigga though.  
 [Chorus]  
 I know  
 a lot of things changed  
 and I know it ain't the  
 same  
 and you hate to hear my name but,  
 you still  
 my nigga though.  
 I don't say it in vain  
 I ain't ever  
 gone'  
 complain  
 In ya' life do ya' thang man, you still  
 my nigga though.  
 I know it changed and I know it ain't  
 the same  
 and you hate to hear my name but, you still  
 my nigga though.  
 I don't say it in vain  
 I ain't ever  
 gone'  
 complain  
 In ya' life do ya' thang man, ugh,  
 you still my nigga though.  
 [Verse 2]  
 I ain't seen  
 my nigga Tim in a minute for real  
 I hit him up he never  
 answer  
 I'm like "Dawg For real?"  
 but I don't blame  
 him  
 he in school with a lot on his plate.  
 We always  
 stayed on our grind tryna make us a way  
 But now I  
 made it  
 Feelin' gravy, in a bigger state.  
 I got a big  
 money scheme  
 you ain't with it ok.  
 but if you ever  
 need a thing nigga,  
 don't hesitate  
 Today our 20  
 years on down the line,  
 we straight.  
 I said I was
