Say she in King of Diamonds Monday
Ain't scared to get that money
In back in church by Sunday
But we all know she's in love with that pole, pole, pole
She's in love with that pole, pole, pole
Ugh, say she in school Tuesday through Friday
Friday night that's my day
But Saturday through Sunday, she 'bout money
She ain't scared of that pole, pole, pole
She ain't scared of that pole, pole, pole

Said she in love with that pole
She so in love with that pole
She love wakin up, love wakin up, wakin up with that
doe
I love it when she come home all the way drunk and all
the way throwed
Said "boy be on that way, so you call me on that road
Got that drink up in my cup but that don't mean that I
move slow
Drank up in my cup but that don't mean that I f*ck slow"
She got a tattoo on her ass
You know it say Kirko
She tattooed to her cash, shaking that ass and lettin it
go
She like "baby boy don't trip about it, everything you
hear 'cause these hoes
Sneak around on the low and I'm just out here getting
my doe"
I'm like "baby girl don't trip about it, everything you
hear 'cause these hoes
Sneak around on the low and knowin they wanna get on
that pole"

Say she in King of Diamonds Monday
Ain't scared to get that money
In back in church by Sunday
But we all know she's in love with that pole, pole, pole
She's in love with that pole, pole, pole

Ugh, say she in school Tuesday through Friday

But Saturday through Sunday, she 'bout money
She ain't scared of that pole, pole, pole
She ain't scared of that pole, pole, pole
