[Hook]

If I wrote a note to God  
Poured my heart out on each page  
I'd pour heart out on each page  
I'd ask for peace to mend this World  
I'd say, I'd say  
I say, all the hate to be swept away for love  
Through all the flow  
If I wrote a note to God

[Verse 1: K Koke]

What would I tell him, huh,  
I'd tell him nuff, I'd tell him that I've had enough  
I'd tell him that I'm mad that I'm bagging up,  
Why'd I have to sell grams and let a 'matic bust,  
Why'd I have to stick mans for their grands & stuff,  
Why'd I had to click bang on the man and duss  
I'm stuck out on the road with no one to trust,  
I'd ask for forgiveness & ask for love,  
I'd tell em that its real out here,  
Ive got a princess to think about, to feed out here  
And they wanna leave me dead on the streets, I swear  
All this on my head, this shit seems unfair  
And I'd tell him that my hearts turned cold  
Please forgive me though, don't harm my soul

Please guide me through the path I chose,  
I had no choice, cause its the life I know

[Verse 2: K Koke]

I'd tell em that I'm sorry  
Please make space for me  
Cause in my dream I'm seeing reef's with my name on  
it  
Memories of my queen, her dads promised  
Its that horrid  
And I'd tell em that I'm mad from it,  
Its killing me secretly if I am modest  
Recently I can't sleep if I am honest,

They're testing me, they want to see if I am on it  
And I'd tell em that I love my mom  
And if there's beef on the road than I'd bust my -gun-,  
It's peak on the roads, you get loved by some  
Hated by most, the good die young,  
And I tell em I aint never been scared,  
See the look in my eyes, they will never see fear  
Take a look at my life, see the devils been here,  
I'll fight to the death, I'm forever prepared
