[Intro]

Alright !

Listen.. Look !

Hard times !

Straggler's life !

Feel me .. U.K .. London .. Stonebridge

Where I'm from ..

Snippet of my story !

[Hook x2]

This is just a snippet of my life story

This is what was written in my life for me

Nothing but pain and the strife

All this pain in my life

I see nothing but a devil's story

[Verse 1 - K Koke]

Me and my little brother growing up,

Mommy shot food, to put clothes on us,

Times was rough, and mommy had enough,

So mommy cried most nights, cause our life was f-  
cked,

My mommy lost her mum from young .. now she cries,

Everytime her birthday comes,

Me and my brother used to go and give her birthday  
hugs,

And wipe the tears from her eyes .. like mommy don't  
cry,

Mommy we're fine, were gonna be alright,

She said, "Sons we do what we have to, to survive in  
the slums"

My mommy used to package out the white, to get us  
a name brand jacket and some Nikes

To put food in the fridge and get the things that we  
liked

But it seems, every day's a struggle and a fight

No help, we only got each-other in this life

Struggling to hustle, struggle to get by .

[Hook x2]

This is just a snippet of my life story

This is what was written in my life for me

Nothing but pain and the strife  
All this pain in my life  
I see nothing but a devil's story

[Verse 2]

My lifes been painful from the f-ckin' start  
Growing up poor, mind state, life is f-cken hard,  
Mommy tried her best to stop us selling hard,

But benefits can't put food in our f-cken yard  
After bills, we got a score for the week  
How the f-ck we gonna eat, with 3 mouths to feed  
What a cheek, At 15, we were shotting draws  
16, 17, we were shottin' raw,  
Haters, got feds, kicking off my door,  
But mommy heard them come and hid my food before  
they saw,  
The next time they raided, they beat me to the floor,  
The time after that, the council wouldn't fix our door  
We had to barricade ourselves in, paranoid, starin'  
Through the peep hole, anytime we hear things  
Mommy still cries, still wishing it was better  
And shortly after that, eviction written in a letter

[Verse 3]

My brother had a daughter, I've got one on the way  
They tried to kick us out and we've got nowhere else to  
stay  
Plus we got caught up, the man they let it spray,  
Me and my brother, both standing by the gate,  
They rinse 9, my brother caught a stray  
The pain in my eyes, the day that I changed  
Nothing in this life could ever change, my mind frame  
I'm so far gone, I feel like I'm insane, In the hospital,  
Mommys going crazy, shes going nuts  
Screaming, "Let me see my baby!",  
If my brother died, they would've had to take me,  
On my mother's life, someones gonna to pay, G,  
Para' as f-ck, got's to look over my shoulder,  
Not knowing who did it, made it so much colder,  
I'm praying for my spirit, cause my hearts got no love  
Early teens, Ive got the mind of a grown up .
