Hey, Hey

B I T T Y, the party's over here tonight
Hey, bitty what you wanna do, hey what's up with me
and you
B I T T Y, the party's over here tonight
Hey, bitty what you wanna do, 'cause I'm a put it on ya

Hey, Ma let's get it, I'm with it what's up with you and
me
The loudest brothers commin' through your rep in
N.Y.C. oh
Got the bitties over there still checkin' me
Haters wonderin' what to be, what is chasin' me
I'm in the F-5, honey, you ain't catchin' me
Mind's over money set your honey's on the back seat,
oh

I need a bitty who's pretty and keeps her game tight
The type of bitty who's ready to flip the same night
Now could you be that girl that nasty, naughty, shorty,
gaudy
Shake that thing, break that thing, I just wanna see you
dance girl

Oh, Nitty, you're so fine, you're so fine, you blow my
mind, hey, Nitty

What you wanna do, hey what's up with me and you
B I T T Y the party's over here tonight
Hey, bitty what you wanna do, 'cause I'ma put it on ya

They call me Nitty, some bitties they call me Shugga
Daddy
When I'm in Cali you might see me hangin' out with
Halle, oh
Met her in a valley picked her right up in a Caddy
Bitty was a trophy, didn't even need a Grammy
This mommy's nasty and she's always wearin' freaky
panties, oh

I bring the heat to the G's, just like a radiator

I'm navigating through your body like a navigator
Can I lick you up and down like a now and later
Pull up to ya pump it to ya like a tailgater
Earthquaker, no more haters, shake ya like a salt
shaker

Oh, Nitty you're so fine, you're so fine, you blow my
mind hey, Nitty

What you wanna do, hey, what's up with me and you
B I T T Y, the party's over here tonight
Hey, bitty what ya wanna do, 'cause I'ma put it on ya

Come on, mommy, mommy, hit it, you're a hottie,
hottie, hit it
Do your thing I wanna see you shake your body, body
hit it
Come on, work it mommy, girl, don't hurt nobody
Tell your friends to get in my Benz so we can have a
private party

Tell me where you want to go bitties up town
Bitties in the cities I'm gonna go downtown
Hatters goin' down nobody's gonna stop me now
Bitties goin' crazy, gettin' gravy, don't play now, oh

I'm given money to honeys they know my name now
I'ma take her Benz with her friends, this ain't a game
now, oh
Niggas off the chain now, hey now stay down
You're not gonna beat me at this, your the same now

Put away now didn't do your thing now
Bitties all over commin' over tryin' to break out
Gotta news world, what you wanna do, girl, you, girl
Me and you, girl, really cruel girl, 'cause I'ma rock your
world
Till I hit it in the crib with the diamonds to make your
toes curl

Oh, Nitty, you're so fine, you're so fine, you blow my
mind, hey, Nitty

What you wanna do, hey, what's up with me and you
B I T T Y, the parties over here tonight
Hey, bitty what you wanna do, 'cause I'ma put in on ya

Oh, Nitty you're so fine, you're so fine you blow my
mind hey, Nitty

What you wanna do, hey what's up with me and you

B I T T Y, the party's over here tonight
Hey, bitty what you wanna do, 'cause I'ma put in on ya
