Hey bitch, what's up?  
You know I'd really like to do that  
But I don't have any fucking money  
Like I don't have nay fucking money!

Chorus:

Hey bitch, do you really really wanna go hard?  
Go in the crib, steal your step father's credit card  
And take the car do circles in the parking lot  
Scream at the top of my lungs like la la la  
La la la la la la la la la  
La la la la la la la la la  
We on the la la la la la  
We on the la la la la la

Bitch, I see you working at the mall  
At FOREVER 21, selling jacy shals  
You wanna quit your job? You need a place to go?  
Girl, run your own show, but don't be on some hoe shit  
Bounce with something cute on, I kiss into a fog zone  
I'll be really off and searching for some water though  
What it do? Let it go, and go hard!  
Let me see you doing, go hard, like real hard!

Chorus:

Hey bitch, do you really really wanna go hard?  
Go in the crib, steal your step father's credit card  
And take the car and do circles in the parking lot  
Scream at the top of my lungs like la la la  
La la la la la la la la la  
La la la la la la la la la  
We on the la la la la la  
We on the la la la la la

Do it like, do it like, let me see you go hard, go hard!  
Girl, you need that new, bottles on chew  
I got gold chain flu, little lady on my side, show me how  
you ride out!  
Be a good one, and I'll take you to my hideout!  
Pretty little bitch, dripping like some water though  
I'll be on that stroll, and coming for that low low  
What I did? let he go! She's bad now

She went real hard until she threw her back out!

Chorus:

Hey bitch, do you really really wanna go hard?  
Go in the crib, steal your step father's credit card  
And take the car and do circles in the parking lot  
Scream at the top of my lungs like la la la  
La la la la la la la la la  
La la la la la la la la la  
We on the la la la la la  
We on the la la la la la

Silly girl, take your jacket off  
Get off the floor, go hard!  
Go hard, go hard, go hard, go hard, go hard!  
Do it like, do it like, do it like!  
Let me see you go hard, go hard, go hard, go hard!

Chorus:

Hey bitch, do you really really wanna go hard?  
Go in the crib, steal your step father's credit card  
And take the car and do circles in the parking lot  
Scream at the top of my lungs like la la la  
La la la la la la la la la  
La la la la la la la la la  
We on the la la la la la  
We on the la la la la la

Do it like, do it like, do it like!  
Let me see you go hard, go hard, go hard, go hard!  
Go hard, go hard, go hard, go hard!  
Do it like, do it like, do it like!  
Let me see you go hard, go hard, go hard, go hard!  
Go hard, go hard, go hard, go hard!
