One big room full of bad bitches x4

[Hook]

And we stunting like

Gucci Gucci, Louis Louis, Fendi Fendi, Prada

Basic bitches wear that shit so I don't even bother

x 2

[Verse 1]

Gucci Gucci, Louis louis, Fendi Fendi, Prada

The basic bitches wear that shit, So I dont even bother

I put that on my partner, I put that on my family

Oakland city representer, address me as your majesty

Yeah you can kiss the ring, but you can never touch the crown

I smoke a million Swisher blunts and I ain't never coming down

Bitch you ain't no Barbie I see you work at Arby's

Number 2, super-sized Hurry up I'm starving

Gnarly, radical, on the block I'm magical

See me at your college campus baggie full of

Adderalls

Call me if you need a fix, call me if you need a boost

See them other chicken heads? They don't never leave the coop

I'm in the coupe cruising, I got the stolen plates

Serving all the fiends over there by the Golden Gate

Bridge, I'm colder than the fridge and the freezer

I'm snatching all your bitches at my leisure

[Verse 2]

Gucci Gucci, Louis Louis, Fendi Fendi, Prada

I'm lookin like Madonna but I'm flossing like Ivana

Trump, you know I keep that work in my trunk

Got my hand on the pump if you wanna press your luck

I'm yelling "Free V-Nasty" 'til my throat is raspy

Young, rich and flashy I be where the cash be

You can't find that? I think you need a Google Map
My pearl-handled kitty-cat will leave and press your
noodle back
Now Google that groupies follow me like Twitter
I'm rolling up my catnip and shitting in your litter
Why you looking bitter? I be looking better
The type of bitch that make you wish that you ain't
never met her
The editor, director plus I'm my own boss
So posh, nails fierce with the gold gloss
Which means nobody getting over me
I got the swag and it's pumping out my ovaries
