Gargoyles, standing, in front of your gate,
Trying to tell me to wait,
But I can't wait to see you,
So I run, like I'm mad,
To heavens doors,
I don't wanna be bad,
But I won't cheat you no more,

Roses, Bel Air, take me there,
I've been waiting to meet you,
Palm trees, in the light,
I can see, late at night,
Darling I'm willing to greet you,
Come to me baby.

Spotlight, bad baby, you've got a flare,
For the final this time, I've fell on anywhere I've felt,
Run along, sweet child 'o mine,
You're divine, didn't anyone twll you it's okay to shine,

Roses, Bel Air, take me there,
I've been waiting to meet you,
Palm trees, in the light,
I can see, late at night,
Darling I'm willing to greet you,
Come to me baby.

Gargoyles, standing, in front of your gate,
Trying to tell me to wait,
But I can't wait to see you,

Roses, Bel Air, take me there,
I've been waiting to meet you,
Palm trees, in the light,
I can see, late at night,
Darling I'm willing to greet you,
Come to me baby.

Roses, Bel Air, take me there,
I've been waiting to meet you,
Palm trees, in the light,
I can see, late at night,
Darling I'm willing to greet you,
Come to me baby.
