Dangerous Girl

He's my drugstore cowboy,
Italian alloy,
Classical American.

And I'm America's Sweetheart,
Cute delicious, sweet tart,
Sipping on my diet coke,
Singin' in the trailer park.

He likes my jeans tight
He likes me mean, right (right)
He likes my long hair
Corset, heels high.

I'm born to kill,
Strip for success,
I'm his, sweet mess.
Do you love me? Yes, yes!
Hell, yes!

Baby, I'm a forlorn on fire,
I'm what you desire,
Like a siren in the night (Going nino-nino)
Baby you's a man on a wire,
Risking all that you've got,
For the love of your life (You're my hero, hero)

Let me be your dangerous girl,
Let me be your dangerous girl,
Let me be your dangerous girl,
Let me be your dangerous girl.

He's the get rich quick type
Mafioso hit type

Girl, I'm gonna marry him!

I'm the bad girl, next door.
Baby's always wantin' more,
Buyin' diamond jewelry,
Take me to the Jersey Shore.

He like my mink white (White)
We go out all night,
We're living off the grid
Shining in the crime light.

We were born to kill,
Best of the best
The new, Wild West
Let me put on my party dress
Hell, yes!

Baby, I'm a forlorn on fire,
I'm what you desire,
Like a siren in the night (Going nino-nino)
Baby you's a man on a wire,
Risking all that you've got,
For the love of your life (You're my hero, hero)

Let me be your dangerous girl,
Let me be your dangerous girl,
Let me be your dangerous girl,
Let me be your dangerous girl.

You know my baby plan, world domination
Together taking over our fair nation.

'Cause we're born to kill
Keepin' it fresh.
Gold chain, white mesh,
Fame is the name of the game, yes yes!

Baby, I'm a forlorn on fire,
I'm what you desire,
Like a siren in the night (Going nino-nino)
Baby you's a man on a wire,
Risking all that you've got,
For the love of your life (You're my hero, hero)

[x2]

Let me be your dangerous girl,
Let me be your dangerous girl,
Let me be your dangerous girl,
Let me be your dangerous girl.

Baby, I'm a forlorn on fire,
I'm what you desire,
Like a siren in the night (Going nino-nino)
Baby you's a man on a wire,
Risking all that you've got,
For the love of your life (You're my hero, hero)

Let me be your dangerous girl,
Let me be your dangerous girl,
Let me be your dangerous girl,
Let me be your dangerous girl.
