In the land of gods and monsters,  
I was an angel,  
Living in the garden of evil.  
Screwed up, scared,  
doing anything that I needed,  
Shining like a fiery beacon.

You've got that medicine I need,  
Fame, liquor, love;  
Give it to me slowly.  
Put your hands on my waist,  
Do it softly.  
Me and God, we don't get along,  
So now I sing,  
No one's gonna take my soul away.  
Living like Jim Morrison.  
Headed towards a fucked up holiday,  
Motel, speed, squeeze,  
and I'm singing,  
"Fuck yeah, give it to me,  
This is heaven.  
What I truly want is  
Innocence lost, innocence lost."

In the land of gods and monsters,  
I was an angel,  
Looking to get fucked hard.  
Like a groupie incognito,  
Posing as a real singer.  
Life imitates art.

You've got that medicine I need,  
Dope, shoot it up  
Straight to the heart please.  
I don't really wanna know  
What's good for me.  
God's dead, I said,  
"Baby, that's alright with me"  
No one's gonna take my soul away,  
Living like Jim Morrison,  
Headed towards a fucked up holiday.

Motel, speed, squeeze,  
and I'm singing  
"Fuck yeah, give it to me,  
This is heaven.  
What I truly want  
Is innocence lost, innocence lost."

So now I sing,  
No one's gonna take my soul away.  
Living like Jim Morrison.  
Headed towards a fucked up holiday,  
Motel, speed, squeeze,  
and I'm singing,  
"Fuck yeah, give it to me,  
This is heaven.  
What I truly want is  
Innocence lost, innocence lost."
