I say hey, Jimmy Necco
I like the way your name echoe
You are so fine
I say hey, Jimmy Necco
Do you wanna help me let go
All my dark mind?

If you want it, it's yours
It's free, but of curse?
You're my sunshine
I say, Jay, you're the boss
Without you I'm lost
You're my sunshine

I say hey, Jimmy Necco
You are on another level
You're so fine
I say, hey Jimmy, let's go
I've been in love since I met you
You are all mine

If you want it, it's yours
It's free, but of curse?
Take a high (...?)
I say, Jay, you're the boss
Without you I'm lost
You're my sunshine

Jimmy, Jimmy, Jimmy
Take me to the park
Buy me a hot dog
Kiss me in the dark
Jimmy, Jimmy, Jimmy
Take me to the park
Buy me cotton candy

Kiss me in the dark

I say hey, Jimmy Necco
Hey, I like your heavy metal
Do you like mine?
I say hey, Jimmy Necco
You are smashing from the get go
This is your time

If you want it, it's yours
It's free, but of course
Take a high
I say, Jay, you're the boss
Without you I'm lost
You're my sunshine

Jimmy, Jimmy, Jimmy
Take me to the park
Buy pink cotton candy
Kiss me in the dark
Jimmy, Jimmy, Jimmy
Take me to the park
Buy me something pretty
Kiss me in the dark

Jimmy Necco, Jimmy Necco, Jimmy Necco
You are so fine
