Baby has a broken heart,
She can't belong to only one
Until another girl is found.

I don't pay for anything,
My cigarettes or diamond rings,
My feet don't even touch the ground.

Chariots of gold,
I ride with Jay-Z, Jared Leto,
I'm a super power, now they call me the tornado.
I've got roses in my hair, I belly dance and do the tango,
Sometimes I get lonely, everybody told me no,

No one lives forever,
But that's no reason to give up,
Don't you wanna fall in love?
Know such thing as heaven
And I'm the last girl on Earth.
So, baby, let's get it on.

Cleopatra used to rule
But she got nothing on me, now
'cause I'm the last girl on Earth.

I turn the television on,
They only play my favorite song,
Sometimes the life is great on Earth.

Chariots of gold,
I sit, sipping cherry cola,
Caesar say he'd fall in love with me, if I was older.
I hold all the Mexico and I got my own roller coaster,
Sometimes I get lonely, millions can't hold me now.

No one lives forever,
But that's no reason to give up,
Don't you wanna fall in love?
Know such thing as heaven
And I'm the last girl on Earth.
So, baby, let's get it on.

I stay up late at night, turn up to think about it
They say I'm happy, well, and all the world without love.
I get so tired being on this place just I
Sometimes I get lonely, but millions can't hold me now.

No one lives forever,
But that's no reason to give up,
Don't you wanna fall in love?
Know such thing as heaven
And I'm the last girl on Earth.
So, baby, let's get it on.

Know such thing as heaven
And I'm the last girl on Earth
So baby, let's get it on.
