Live Or Die

Baby, you're my Bugsy Malone and I'm your suicide blonde,
You can be my film noir star, I'm your Queen of Saigon
If they don't think we're good together, baby, just forget 'em
And let bygones be bygones!

Baby, I can't do it alone, 'cause you're the one that I want,
You can be my Tony Montana and I can be your Pfeiffer, fire,
I can take you higher, I can get you hooked on love and desire!

Hello, pretty baby, you can be my cherry pie,
I know what you've done, I can be your alibi.

So tonight are you gonna be my soldier?
Are we gonna be Bonnie and Clyde?
It's either live or die, boy, it's either live or die

Are you gonna be my lover?
Are we gonna be true-love suicide?
It's either live or die, boy, it's either live or die

I be murderin' and murderin' 'em just for fun (hey!)
Murderin' and murderin' 'em one-by-one (hey!)
It's either live or die, boy, it's either live or die!

So tonight are you gonna be my soldier? (hey!)
Are we gonna be Bonnie and Clyde? (Hey!)
It's either live or die, boy, it's either live or die!

Baby, you Sylvester Stallone and I could be your Adrian,
With Thunderlips, I got you in the ring, just say my name again
Say my name again
Say my name again (huh!)

Baby, I can't do it alone, 'cause you're the one that I want,
You can be my Tommy Mottola and I can be Mariah, tiger,
Scream a little higher, I can get you high on love and desire!

I sense Bonnie and Clyde was two kids
So good at being bad, bad, bad.
I'm flirting with the check-out counter, baby,
You put the money in the bag.

So tonight are you gonna be my soldier?
Are we gonna be Bonnie and Clyde?

It's either live or die, boy, it's either live or die

Are you gonna be my lover?

Are we gonna be true-love suicide?

It's either live or die, boy, it's either live or die

I be murderin' and murderin' 'em just for fun (hey!)

Murderin' and murderin' 'em one-by-one (hey!)

It's either live or die, boy, it's either live or die!

So tonight are you gonna be my soldier? (hey!)

Are we gonna be Bonnie and Clyde? (Hey!)

It's either live or die, boy, it's either live or die!

Would you kill for me? Would you die for me?

Put your hands where I can see them,

Put them in the air (air, air, air)

So tonight are you gonna be my soldier?

Are we gonna be Bonnie and Clyde?

It's either live or die, boy, it's either live or die

Are you gonna be my lover?

Are we gonna be true-love suicide?

It's either live or die, boy, it's either live or die

I be murderin' and murderin' 'em just for fun (hey!)

Murderin' and murderin' 'em one-by-one (hey!)

It's either live or die, boy, it's either live or die
