One, Two...
Even my best days without you,
Were nothing in comparison... to my worst days,
Once I have found you,
Once I had you,
I had everything,
I had everything,
I had everything...
Please don't leave,
It's all happening.

When I was sleeping without you,
Haunted by the baddest dreams...
At last you're (I asked you) beside me,
I have you, yes I have you...
Smiling in your sleep,
Pillow (You would) talk to me, in my wildest dreams,
I never knew... I('d) find somebody like you,
Like you...
Like, Like...
I('d) find somebody like you,
Like you,
Like you...

When I was sleeping without you,
Haunted by the baddest dreams...
At last your beside me,
I have you, yes I have you...
Smiling in your sleep,
Pillow talk to me, in my wildest dreams.
I never knew I find somebody like you,
Like you,
Like, Like...
I find somebody like you,
Like you,

Like you...
