Money is the anthem  
Of success  
So before we go out  
What's your address?

I'm your National Anthem  
God, you're so handsome  
Take me to the Hamptons  
Bugatti Veyron

He loves to romance them  
Reckless abandon  
Holdin' me for ransom  
Upper echelon

He says to "be cool" but  
I don't know how yet  
Wind in my hair  
Hand on the back of my neck  
I said, "Can we party later on?"  
He said, "Yes, yes"

Tell me I'm your National Anthem  
Ooh, yeah, baby, bow down  
Making me so wow, wow  
Tell me I'm your National Anthem  
Sugar, sugar, how now  
Take your body down town  
Red, white, blue's in the skies  
Summer's in the air and  
Baby, heaven's in your eyes  
I'm your National Anthem

Money is the reason  
We exist  
Everybody knows it, it's a fact  
Kiss, kiss

I sing the National Anthem  
While I'm standing over your body  
Hold you like a python  
And you can't keep your hands off me  
Or your pants on  
See what you've done to me  
Give me Chevron

You said to "be cool" but  
I'm already coolest  
You said to "get real"  
Don't you know who you're dealing with?  
Um, do you think you'll buy me lots of diamonds?  
(Yes, also a gun)

Tell me I'm your National Anthem  
Ooh, yeah, baby, bow down  
Making me so wow, wow  
Tell me I'm your National Anthem  
Sugar, sugar, how now  
Take your body down town  
Red, white, blue's in the skies  
Summer's in the air and  
Baby, heaven's in your eyes  
I'm your National Anthem

It's a love story for the new age  
For the six page  
Want a quick sick rampage?  
Wining and dining  
Drinking and driving  
Excessive buying  
Overdosin', dyin'  
On our drugs and our love  
and our dreams and our rage  
Blurring the lines between real and the fake  
Love again, lonely  
I need somebody to hold me  
We will do very well  
I can tell, I can tell  
Keep my safe in his bell tower, hotel

Money is the anthem of success  
So put on mascara, and your party dress

I'm your National Anthem  
Boy, put your hands up  
Give me a standing ovation  
Boy, you is landin'  
Babe, in the land of  
Sweetness and Angel  
Queen of Saigon

Tell me I'm your National Anthem  
Ooh, yeah, baby, bow down  
Making me so wow, wow  
Tell me I'm your National Anthem  
Sugar, sugar, how now  
Take your body down town  
Red, white, blue's in the skies  
Summer's in the air and  
Baby, heaven's in your eyes

I'm your National Anthem

Money is the anthem  
God, you're so handsome  
Money is the anthem  
Of success
