Baby I have become,
Baby I have become someone
A monster, eh-eh-yeah
A monster, eh-eh-yeah

Wrizes, Wrizes a diamond tiara
Here's to the girl with the blue mascara
I have a disco ball mind
Lights flashing all of the time
I have ideas go by my mind
I wanna die, I wanna die
I wanna die, I wanna die
Uh yeah

Baby I have become someone
Baby I become who i-i-i-i,
Baby I have become someone
Not of this world, eh-eh-yeah
Not of this world, uh-uh-yeah
