It's not puppy love,Â
Puppy, puppy, puppy loveÂ
It's not puppy love,Â
Puppy, puppy, puppy loveÂ You make me wanna beÂ
Like one of those girlsÂ
From the 1950sÂ
Wearing those big pearlsÂ
I'll cook you breakfastÂ
Coffee on your desk yesÂ
I'ma bring you toast,Â
But baby I'm still the bestestÂ It's not puá¹—py love,Â
Puppy, puppy, puppy loveÂ
It's not puppy love,Â
Puppy, puppy, puppy loveÂ You make me wanna beÂ
Like one of those girls on the colored TVÂ
It was a new worldÂ
The The Dick Van Dyke ShowÂ
We're sharing BonoÂ
The way I see I got you babeÂ
Makes you say oh noÂ
Cause you're the class presidentÂ
Without Jackie OÂ
And I'm singing happy birthdayÂ
Like Marilyn MonroeÂ This is not a school girl crushÂ
This is not a á¹—uppy love,Â
It's the real thingÂ
When you told me you loved meÂ
á¹—romise I'll never see a Barbie day, oneÂ This is not
a school girl thingÂ
(no two)Â
What about the diamond ringÂ
Everyone knows I'm like Jessica RobinÂ
Wondering when you are gonna have it babyÂ It's not
puppy love,Â
Puppy, puppy, puppy loveÂ
It's not puppy love,Â
Puppy, puppy, puppy loveÂ You make me wanna beÂ
Like one of those girlsÂ
Pin-up queen and platinum girlsÂ
I'll do my summer poseÂ
Golden sand between my toesÂ
You can back my favorite snucklesÂ

We've been going ho-ho
Dear everybody's here oh and when you're hitting it
home
Oh I'm singing for the soldiers like Marilyn Monroe
One
This is not a school girl crush
No two
This is not a puppy love,
It's the real thing
When you told me you loved me
Promise I'll never see a Barbie day, One
This is not a school girl thing
(no two)
What about the diamond ring
Everyone knows I'm like Jessica Robin
Wondering when you are gonna have it baby And if I
call you on the telephone
On night overdose
Cause I'm strong and I'm lonely like Marilyn Monroe
This is not a school girl crush
This is not a puppy love,
It's the real thing
When you told me you loved me
What ever hapá—ened to hold me, trust me baby
One
This is not a school girl crush
No two
This is not a puppy love,
It's the real thing
When you told me you loved me
Promise I'll never see a Barbie day, one This is not a
school girl thing
(no two)
What about the diamond ring
Everyone knows I'm like Jessica Robin
Wondering when we are gonna have a baby It's not
puppy love,
Puppy, puppy, puppy love
It's not puppy love,
Puppy, puppy, puppy love
