My pussy tastes like Pepsi cola
My eyes are wide like cherry pies
I got a taste for men who're older
It's always been so it's no surprise

Honey's in the sky with diamonds
And he's making me crazy
All he wants to do is party with his pretty baby
Come on baby, let's ride
We can escape to the great sunshine
I know your wife and she wouldn't mind

We made it out to the other side
We made it out to the other side
We made it out to the other side

Come on, come on, come on, come on baby
Woah ah yeah

I fall asleep in the American flag
I wear my diamonds
I pledge allegiance to my dad
For teaching me everything he knows

Honey's In the sky with diamonds
And he's making me crazy
All he wants to do is party with his pretty baby
Come on baby, let's ride
We can escape to the great sunshine
I know your wife and she wouldn't mind

We made it out to the other side
We made it out to the other side
We made it out to the other side
