Not even they can stop me now  
Boy, I'll be flying overhead  
Their heavy words can't bring me down  
Boy I've been raised from the dead

No one even knows how hard life was  
I don't even think about it now because  
I've finally found you  
Oh, sing it to me

Now my life is sweet like cinnamon  
like a fucking dream I'm living in  
Baby love me cause I'm playing on the radio  
(How do you like me now?)

Pick me up and take me like a vitamin  
'Cause my body's sweet like sugar venom oh yeah  
Baby love me cause I'm playing on the radio  
(How do you like me now?)

American dreams came true somehow  
I swore I'd chase them til I was dead  
I heard the streets were paved with gold  
That's what my father said

No one even knows what life was like  
Now I'm in LA and it's paradise  
'cause I've finally found you  
Oh, sing it to me

Now my life is sweet like cinnamon  
like a fucking dream I'm living in  
Baby love me cause I'm playing on the radio  
(How do you like me now?)

Pick me up and take me like a vitamin  
'Cause my body's sweet like sugar venom oh yeah  
Baby love me 'cause I'm playing on the radio  
(How do you like me now?)

Now my life is sweet like cinnamon  
like a fucking dream I'm living in  
Baby love me 'cause I'm playing on the radio  
(How do you like me now?)

Now my life is sweet like cinnamon

like a fucking dream I'm living in  
Now my life is sweet like cinnamon  
like a fucking dream I'm living in  
Baby love me 'cause I'm playing on the radio  
(How do you like me now?)

Pick me up and take me like a vitamin  
'Cause my body's sweet like sugar sugar venom oh yeah  
Baby love me 'cause I'm playing on the radio  
(How do you like me now?)

Now my life is sweet like cinnamon  
like a fucking dream I'm living in  
Baby love me 'cause I'm playing on the radio  
(How do you like me now?)

Pick me up and take me like a vitamin  
'Cause my body's sweet like sugar venom oh yeah  
Baby love me 'cause I'm playing on the radio
