I've seen the world
Done it all
Had my cake now
Diamonds, brilliant and Bel-Air now.

Hot summer nights, mid July
When you and I were forever wild
The crazy days, city lights
The way you'd play with me like a child

Will you still love me when I'm no longer young and
beautiful?
Will you still love me when I've got nothing but my
aching soul?
I know you will, I know you will
I know that you will
Will you still love me when I'm no longer beautiful?

I've seen the world
Lit it up
As my stage now
Channelling angels in
The new age now

Hot summer days, rock and roll
The way you'd play for me at your show
And all the ways I got to know
Your pretty face and electric soul

Will you still love me when I'm no longer young and
beautiful?
Will you still love me when I've got nothing but my
aching soul?
I know you will, I know you will
I know that you will
Will you still love me when I'm no longer beautiful?

Dear Lord, when I get to heaven
Please let me bring my man
When he comes tell me that you'll let him
Father tell me that you can

Oh that grace, oh that body
Oh that face makes me wanna party
He's my sun, he makes shine like diamonds

Will you still love me when I'm no longer young and
beautiful?
Will you still love me when I got nothing but my aching
soul?
I know you will, I know you will
I know that you will
Will you still love me when I'm no longer beautiful
Will you still love me when I'm no longer beautiful
Will you still love me when I'm not young and beautiful
