Throw me a card to gamble on  
Find me a life worth living for  
Show me the path you move along  
Teach me a time back when we tried it

We lost our touch  
We left it  
We learnt too much

It seems these days they are, yeah they're getting  
longer and longer  
It seems these days they are, yeah they're getting  
longer and longer

Read me a line to memorise  
Allow me to take what I need  
I am the face you'll recognise  
Treasure the time back when we tried it

We lost our touch  
We left it  
We learnt so much

It seems these days they are, yeah they're getting  
longer and longer  
It seems these days they are, yeah they're getting  
longer and longer

It seems these days they are, yeah they're getting  
longer and longer  
It seems these days they are, yeah they're getting  
longer and longer (x4)
