No one's cool all the time sometimes not at all
Treasure hunt hope you find what you're looking for

Nikola, we're gonna make a difference
Nikola, we're gonna make a difference

Everywhere that you cruise
Every world that you rule
Every line that you say
Has it's time and it's place

Every stare that you see
Everyone that you meet
Every line that you say
Has it's time and it's place yeah

Visions move all the time don't get left behind
This is love this is faith this is my design

Nikola, we're gonna make a difference
Nikola, we're gonna make a difference

Everywhere that you cruise
Every world that you rule
Every line that you say
Has it's time and it's place

Every stare that you see
Everyone that you meet
Every line that you say
Has it's time and it's place yeah

We're all waiting,
For the world to stop rotating

We're all waiting,
For the world to stop rotating

Everywhere that you cruise
Every world that you rule
Every line that you say

Has it's time and it's place

Every stare that you see
Everyone that you meet
Every line that you say
Has it's time and it's place yeah

We're all waiting,
For the world to stop rotating

We're all waiting,
For the world to stop rotating
