aa ke teree baahon me, har shaam lage sindooree  
mere man ko mahakaye, tere man kee kastooree

mahakee hawaayen udataa aanchal lat ghoongharaale  
kaale baadal

parem sudhaa nainon se barase, pee lene ko jeewan  
tarase

baahon mein kas lene de, pareet kaa chunban dene de  
in adharon se chhalak naa jaaye, yauwan ras angooree

sundarataa kaa bahataa saagar, tere liye hain rup ke  
baadal

indr-dhanush ke rang churaao, teree julmee maang  
sajaaoo

do foolon ke khilane kaa, wakt yahee hain milane kaa  
aajaa mil ke aaj mitaa de, thodee see ye dooree
