aaenaa wo hee rahataa hai, chehare badal jaate hai
aankhon mein rukate naheen jo, aansoo nikal jaate hai

pahalee mulaakaat kee, tobaa wo pahalee najar
kyaa ho gayaa, kab huaa, hotee naheen kuchh khabar
kitanaa bhee dil ko sanbhaaloo, aramaa machal jaate
hai

gulashan mein foolon ke saath khilate hain dil mein
gulaab
hotaa hain jab pyaar to, lagataa hain paanee sharaab
do ghoot peete hee lekeen ye honthh jal jaate hai

bekhabar, bekadar, pyaar sach hain agar
dekhanaa yek din royegaa mere been
raah mein chhodakar, meraa dil todakar
muz ko tadapaayaa kyo, too bhee tadapegaa yoo
yaad rakh bewafaa, ye merree baddoowaan
toone jisake liye, muz ko dhokhe diye
wo teree dilarubaa, legee badalaa meraa
mai ye gam humanashee, bhool sakatee nahee
wo iraaade tere, zoothhe waade tere
jab yaad aate hai, dil par bas teer chal jaate hai
