aye sanam aaj ye kasam khaaye
mood ke ab dekhane kaa naam naa le
pyaar kee waadiyon mein kho jaaye

aye sanam aaj ye kasam khaaye
faasale pyaar ke mitaa daale
aur duniyaan se dooriar ho jaaye

is mohobbat ke siwaa aur naa kuchh yaad rahe
ishk duniyaan kee tamannaan se aazaad rahe
teree aakhon ke siwaa jindagee aur hain kyaa
teree chaahat kaa nashaa, bekhudee aur hain kyaa

jis taraf jaaye, bahaaron ke salaam aayenge
aasamaanon se ye rangeen payaam aayenge
teraa jalawaa hain jahaa, meree jannat hain wahaa
tere hothhon kee haseen, sau bahaaron kaa samaan

apanaa imaan fakata apanee mohabbat hogee
haraghadee ishk kee yek taajaa kayaamat hogee
dekhakar ranga-ye-wafaa, muskurayegaa khudaa
aur sochegaa jaraa, ishk kyo paidaa kiya
