ab vo raaten kahaan, ab vo baaten kahaan
vo mere pyaar ki chaandani lut gai
dil luta, dil ke rangeen armaan lute
meri duniyaa, meri zindagi lut gai
mujhako apani khabar thi na dil ki khabar
kaisi madhosh thi meri shaam-o-sahar
tere zaane pe tha har ghadi mera sar
haay, kitani haseen bekudi lut gai

ab vo raaten kahaan, ab vo baaten kahaan
vo mere pyaar ki chaandani lut gai

phool murajha gae, chaand dahala gaya
ek andhera sa har cheez par chha gaya
door meri nigaahon se tu kya gaya
meri aankhon ki bhi roshani lut gai
