apalam chapalam
chap laayi re duniya ko chhod
teri gali aayi re aayi re aayi re
apalam chapalam

bada majabuur kiyaa, haay! tere pyaar ne
maar diya maar diyaa, haay! tere pyaar ne
ab pachhataaye dil, haay! kit jaaye dil
kaahe ko ye aag lagaayi re lagaayi re lagaayi re
apalam chapalam

tedha medha khel hai ye pyaar jo main jaanati
bhuul ke bhi baat kabhi dil ki na maanati
dil beimaan huaa, dekho ji paraaya huaa
roye roye jaan ganvaayi re ganvaayi re ganvaayi re
apalam chapalam

daga dene vaala dekho kaisa daga de gayaa
chhod gaya yaad aur dil mera le gayaa
main ne hi qusuur kiyaa, aise ko jo dil diyaa
sudh budh sab bisaraayi re
apalam chapalam
