aye dila-ye-naadaan aye dila-ye-naadaan
aarajoo kyaa hain, justajoo kyaa hain

hum bhatakate hain, kyon bhatakate hain dashta-o-
seharaa mein
ayesaa lagataa hain, mauj pyaasee hain apane
dareeyaa mein
kaisee ulazan hain, kyon ye ulazan hain
yek saayaa saa, rubaru kyaa hain

kyaa kayaamat hain, kyaa musibat hain
kah naheen sakate, kis kaa aramaan hain
jindagee jaise khoyee khoyee hain, hairaan hairaan
hain
ye jameen chooop hain, aasamaan choop hain
fir ye dhadakan see chaar soo kyaa hain

aye dila-ye-naadaan ayesee raahon mein kitane kaante
hain
aarajoon ne har kisee dil ko dard baante hain
kitane ghaayal hain, kitane bismil hain
is khudaae mein yek too kyaa hain
