barase ghana saari raat, saari raat
sang so jaao
aao re, sang so jaao
aao re, priyatam aao, priya aao re
sang so jaao, sang so jaao

nahalaa saanson se tan mera
sheetal paani yaad aaye
saagar nadiyaa, saagar nadiya yaad aaye
shabanam dhula savaara, shabanam dhula
honthon se tapan bujhaao, bujhaao
priyatam aao, aao re
sang so jaao

kumhalaaya ujiyaara mere man mein
man mein andhiyaara laao
ghir aaya darpan mein
kyon tan sihare chhaaya dole
kya tum aaye baahen khole
neend aai madhur samarpan men, madhur samarpan
mein
neend aai
antim sisakii, antim sisaki
chumban se chup kar jaao, kar jaao
priyatam aao, aao re
priyatam aao
sang so jaao, sang so jaao

barase ghana saari raat
