bedardi baalama tujhko mera mann yaad karta hai
barasta hai jo aankhon se vo saavan yaad karata hai

kabhi ham saath guzare jin sajeeli rehguzaaron se
fiza ke bhes mein girte hain ab patte chanaaron se
ye raahen yaad karti hain ye gulshan yaad karta hai

koi jhonka hava ka jab mera aanchal udaata hai
gumaan hota hai jaise tu mera daaman hilaata hai
kabhi chooma tha jo toone vo daaman yaad karta hai

vo hi hain jheel ke mandar vo hi kirnon ki barsaatein
jahaan ham tum kiya karte the paharon pyaar ki
baatein
tujhe is jheel ka kaamosh darpan yaad karata hai
