betaab dil kee, tamannaa yahee hain
tumhe chaahenge, tumhe poojenge
tumhe apanaa khudaa banaayenge

sune sune khwaabo mein, jab tak tum naa aaye the
khushiyaan thee sab auron kee, gam bhee saare
paraaye the
apane se bhee chhupaayee thee, dhadakan apane
seene kee
hum ko jeenaa padataa thaa, khwaayeesh kab thee
jeene kee
ab jo aa ke tum ne, humei jeenaa seekhaa diyaa hain
chalo duniyaan nayee basaayenge

bheegee bheegee palakon par, sapane kitane sajaaye
hain
dil mein jitanaa andheraa thaa, utane ujaale aaye hain
tum bhee hum ko jagaanaa naa ,baaho mein jo so
jaaye
jaise khushaboo fulon me, tum mein yoo hee kho jaaye
pal bhar kisee janam me, kabhee chhoote naa saath
apanaa
tumhe ayese gale lagaayenge

waade bhee hai, kasmee bhee, beetaa wakt
ishaaronkaa
kaise kaise aramaan hai, melaa jaise bahaaron kaa
saaraa gulashan de daalaa, kaliyaa aaur khilaa naa
hasate hasate ro de hum itanaa bhee to hasaa naa
dil mein tum hee base ho, saaraa aanchal wo bhar
chukaa hain
kahaa itanee khushee chhupaayenge
