chalo sajanaa, jahaan tak ghataa chale
lagaakar muze gale, chalo sajanaa, jahaan tak ghataa
chale

sundar sapanon kee hain manjil kadam ke neeche
furasat kis ko itanee, dekhe jo mud ke peechhe
tum chalo, hum chale, hum chale tum chalo, saawan
kee hawaa chale
chalo sajanaa, jahaan tak ghataa chale

dhadakan tumare dil kee ulazee humaaree lat mein
tumare tan kee chhaayaa, kaajal banee palak mein
yek hain do badan do badan yek hain, aanchal ke tale
chale
chalo sajanaa, jahaan tak ghataa chale

pathareelee raahon mein, tum sang main zoom
loongee
khaaoge jab thhokar hothhon se choom loongee
pyaar kaa aaj se, aaj se pyaar kaa hum se silasilaa
chale
chalo sajanaa, jahaan tak ghataa chale
