dar na mohabbat kar le - 2  
ulfat se jholi bhar le  
duniya hai char din ki  
jee le chahe marr le  
ho dar na mohabbat kar le  
dar na mohabbat kar le

duniya faani tu bhi faani  
leta jaa ulfat ki nishani  
do lafzon ki ek kahani  
ek mohabbat ek jawani  
yaad isse tu kar le - 2  
dar na mohabbat kar le - 2

duniya toh kaaton ka ek ban hain  
aur ulfat phoolon ka chaman hain  
kar le wahi jo dil ki lagan hain  
soch na manzil dil ki kathan hain  
ho dil ki kathan hain  
iss manzil se gujar le - 2  
dar na mohabbat kar le - 2  
ulfat se jholi bhar le  
duniya hai char din ki  
jee le chahe marr le  
ho dar na mohabbat kar le  
dar na mohabbat kar le

kehna jo tune mera na maana  
pichhe padega phir pachhtana  
dekh le apna kar le thikana  
yeh hai mohabbat woh hai zamana  
woh hai zamana  
hass le ya aahen bhar le - 2  
dar na mohabbat kar le - 2
