dhaani chunar mori haay re  
dhaani chunar mori haay re  
jaane kahaan udi jaaye re  
dhaani chunar mori haay re

aaj mere aanchal se kyon lipatati jaaye  
jivan ki bagiya mein ye kisane phuul khilaaye  
nas nas mein dol ke ghuunghat pat khol ke  
aaj khushi laharaaye re  
dhaani chunar mori haay re

jhum rahe hain sapane do aankhon mein laharaake  
man hi man musakaayuun main nayi dagar piya ke  
pag pag anjaan hai nazar hairaan hai  
baat magar man bhaaye re  
dhaani chunar mori haay re

chanchal man ye kaahe main udati udati jaauun  
o nil gagan par jaake chanda ko gale lagaauun  
sudh budh bisara gaye ye din kaise aa gaye  
koi mujhe samajhaaye re  
dhaani chunar mori haay re
