dil todanewaale, tuze dil dhoondh rahaa hain
aawaaj de toooo kaunasee nagaree mein chhoopaa
hain

too hum ko jo mil jaaye, to haal apanaa sunaaye
khud roye kabhee aaur kabhee tuzako rulaaye
wo daag dikhaaye jo humei toone diyaa hain

aye dil ke sahaare, tuze dil dhoondh rahaa hain
seene mein teree yaad kaa tufaan uthaa hain

dil mein to ye hasarat hai, tere paas main aao
najaron se giraa hoo to, najar kaise milaaoo
badanaam hoo, naakaam hoo, kyaa muz mein rahaa
hai

dikhalaa ke kanaaraa muze mallaah ne lootaa
kashtee bhee gayee haath se, patawaar bhee chhootaa
ab aaur naa jaane merree takadeer mein kyaa hain

bechain udhar too hai, to majaboor idhar hum
baithhe hain chhupaaye, ashkon mein teraa gam
har chot ubhar aayee hain, hye jakhm haraa hain
