dilli se aaya bhai tingu
tingu ka bhai chingu
aur uska bhai shingu shingu
dilli se aaya bhai tingu

tingu tha jara patla patla
chingu tha jara chhota chhota
shingu tha jara mota mota
teenon the pakke yaar , yaar pakke yaar
ho bedardi aur lohaar
maare hai deeng deeng deengu
dilli se aaya bhaai tingu

teenon nikale maal road par
matak matak kar chalate the
aahaaha ohoho raama paanv patak kar chalate the
ohoho aahaaha raama paanv patak kar chalate the
matak matak kar matak kar paanv patak kar matak kar
haathon mein daale haath
phirate the saath saath
gaate the ye ek baat
hindostaan hamaara hai ye
sab duniya se nyaara hai
hindu musulim sikh isaayi
sab ki aankh ka taara hai
dilli se aaya bhaai tingu
