do sitaaron kaa jameen par
hai milan aaj kee raat
muskuraataa hain ummeedon kaa
chaman aaj kee raat
rang laaee hain mere dil kee
lagan aaj kee raat
saaree duniyaan najar aatee hain
dulhan aaj kee raat

husnawaale teree duniyaan mein
koe aayaa hain
tere didaar kee hasarat bhee
koe laayaa hain
tod de, tod de, parade kaa chalan
aaj kee raat

jain se milane kee tamanna thee
wahee aate hain
chaand taare merree raahon mein
bichhe jaate hain
choomataa hain mere kadamon ko gagan
aaj kee raat
