duniyaa mein hum aaye hain to jeenaa hee padegaa
jeewan hain agar jahar to peenaa hee padegaa

gir gir ke musibat mein sanbhalate hee rahenge
jal jaaye magar aag pe chalate hee rahenge
gam jis ne diye hain wahee gam door karegaa

aaurat hain wo aaurat jise duniyaan kee sharam hai
sansaar mein bas laaj hee naaree kaa dharam hai
jindaa hain jo ijjat se wo, ijjat se maregaa

maalik hain tere saath naa dar, gam se too aye dil
mehanat kare insaan to kyaa kaam hain mushkil
jaisaa jo karegaa, yahaa waisaa hee bharegaa
