u u u u ...
u hun hun u u ...
la la la la ...
la la la la ...
u hun hun u u ...
so ja re nind suhaani

(ek din hansaana
ek din rulaana
jivan ki rit puraani
phir teri palakein
kaahe ko chhalakein
so ja re nind suhaani) - 2

sanan sanan pawan kahe so ja milega
tujhako koi naya khilauna
magan magan sapan mein gum ho ja milega
duuja saathi koi salona
din kal ka naya din hoga
phir kaisi ye pareshaani
ek din hansaana...

nikaleinge abhi bahut jiya ke aramaan
jivan saara abhi pada hai
ho tukur tukur nayan liye na ho re hairaan
uuparawaala bahut bada hai
phir kaahe tu pada jaage
ankhiyon mein ho liye paani
(ab to so ja)
ek din hansaana...
