jab bhi ji chaahе nаi duniya basа lete hаin log
ek chehare pe kai chehare laga lete hаin log

yaad rahata hai kise guzare zamaane ka chalan
yaad rahata hai kise
sard pad jaati hai chaahat haar jaati hai lagan
ab mohabbat bhi hai kya ik tijaarat ke siva
ham hi naadaan the jo odha beeti yaadon ka qafan
varana jeene ke lie sab kuch bhula dete hain log

jaane vo kya log the jinako vafa ka paas tha
jaane vo kya log the
doosare ke dil pe kya guzaregi ye ehasaas tha
ab hain patthar ke sanam jinako ehasaas na ho
vo zamaana ab kahaan jo ahal-e-dil ko raas tha
ab to matalab ke lie naam-e-vafa lete hain log
