(a a a a a o o o o

tere khyaal mein bachapan ki zindagi guzri
jawaani aae to tujh ko pukaarti aae)

kahaan hai tu mere sapano ke raaja (2)
jawaani aa gae hai ab to aaja, ab to aaja
kahaan hai tu mere sapano ke raaja
Jawaani aa gae hai ab to aaja, ab to aaja,,,,,,,,

qasam hai dil ke armaano ki tujh ko (2)
qasam bachpan ke afsaanon ki tujh ko
wohi rangeen afsaane suna ja
Jawaani aa gae hai ab to aaja, ab to aaja,,,,,,,,

tujhe aawaaz dete hai sitaare (2)
bahare kar rahi hai kuchh ishaare, kuchh ishaare
ishaaron ka mujhe matalab bataaja
Jawaani aa gae hai ab to aaja, ab to aaja,,,,,,,,

zabaan par dil ki baatein aa gae hai(2)
baDi be-dard raatein aa gae hai
meri raaton ko aa kar jagmaga ja
Jawaani aa gae hai ab to aaja, ab to aaja,,,,,,,,
