maut aa gai na aaye vo marane ke baad bhi  
aankhen tarasi rah gaeen is intazaar mein

kaahe ko der lagaai re aaye na ab tak baalama  
hamane to jaan ganvaai re aaye na ab tak baalama  
kaahe ko der ...

meri dua naakaam hui hai sooraj dooba shaam hui hai  
pahane qafan jaayegi muhabbat dil ki lagi badanaam  
hui hai  
hansati hai saari kudaai re aaye na ab tak baalama  
kaahe ko der ...

duniya yoon hi roegi aayengi kushiyaan gam bhi  
sahegi  
lekin meri barabaad javaani mit ke bhi unase yahi  
kahegi  
hamase to ki bevafaai re aaye na ab tak baalama  
kaahe ko der ...

rang ye laai chaahat kisi ki yaad rahegi ulfat kisi ki  
meri qasam tujhe e maut thahar ja dekh to loon soorat  
kisi ki  
dil se sada ye hi aai re aaye na ab tak baalama

hamane to preet nibhaai re aaye na ab tak baalama
